Program Selection

First-time applicants, please make sure to read the attached Counselor/Intern Letter. Roles and responsibilities are outlined in detail in that letter. We expect a minimum 3-week commitment. It's important for our campers to have consistency throughout their time here at Kids Kamp and for us to be able to safely staff each week. We understand, however, that family and other obligations may prevent this. We do insist that we be notified at the beginning of the summer as to any conflicts you may have.

If you have a preference as to which age group with whom you'd like to work, please indicate that also. **We will try to honor requests, but final placement will, of course, depend on enrollment.** You will be contacted once your application is received and your placement determined.

Please note: Kids Kamp will be running Monday through Friday. As an intern you may choose your schedule. **Please circle/highlight the days you are available (2-5 days per week, 3 week minimum)**
