

VISIONING TASK #3

Questions to ask others...

- What are your life concerns and/or what are the main concerns in the community?
- Where can the church help today?
- Do you have an impression of our congregation?

Questions for each of us to consider...

- What is our call as church?
- What do we aspire to?
- What does our faith in Jesus compel us to do?

Please "report back" at our next Visioning meeting, planned for late April (possibly April 29th).
