

## PROGRAM PHILOSOPHY

We at Christ Lutheran Preschool focus on Christian orientation of school activities for your children.

We recognize each child as a unique individual creation of God and celebrate our differences.

Our positive school environment helps children feel good about themselves and allows their attitudes, skills, and curiosity to expand. We learn through fun!!

Our objectives are to stimulate young children to love learning and to provide the highest quality early childhood educational experience for every child.

We encourage responsible behavior in our children, especially group cooperation and concern for others.

Our hands-on approach to creative preschool curriculum gives your child an opportunity to grow socially, emotionally, intellectually, spiritually, physically at their own pace.
